

Coffee and Spirituality

A Leader Formation Webinar

**Thursday, October 29, 2026
6-7:30 p.m.**

Registration Deadline: October 21, 2026

For coffee lovers, getting a cup of coffee can be a process of carefully thought-out decisions. It involves not only deciding where to buy the coffee or whether to brew it at home but also considering what type of beans and which method of preparation will be used. Getting coffee isn't always just something that happens; it can be a whole experience.

This can also be the way to approach our spiritual life. What if we were as intentional about nurturing our spirituality as we are about making a good cup of coffee? In this webinar, we will think about how we make coffee and explore how each step can reflect the ways in which we nurture our spirituality. We will also consider how we, as ruling elders and deacons, can become more intentional about nurturing the spiritual lives of our communities.

This event will be led by **Amos Joel Méndez Gutiérrez**, who was ordained as a ruling elder at the age of 16 and then, in 2010, was ordained as a pastor at Iglesia Presbiteriana Juan Calvino (Juan Calvino Presbyterian Church) in Quebradillas, Puerto Rico, where he continues to serve to this day. In 2012, he was elected Moderator of the Presbytery of the Northwest (PNO). He served on the search committee for the Stated Clerk of the General Assembly and was a member of the Committee on the Office of the General Assembly. Amos currently serves as Stated Clerk of the Presbytery of the Northwest, a position to which he was elected in 2025.
